

## **EDUCATION FOCUS GROUP**

### **PLAN OF ACTION**

**2009-2010**

#### **OBJECTIVE:**

- 1. Life Made Simple with emphasis on environmental management and ability to simplify daily living with educated consumerism.**
- 2. Explore Educational programs focusing on Literacy Development and Nutritional Education for Obesity prevention.**
- 3. Encourage counties to develop lessons on Healthy Living, Finances, and understanding Technology. Counties should also demonstrate and encourage “Hands On” projects and heritage skills.**
- 4. Continue to promote the following EDUCATION FOCUS PROGRAMS:**
  - A. 3- Lesson Video: Fruit & Vegetable Safety, Making Tough Decisions in Difficult Times, and Herbal Medicine Safety.**
  - B. 3- Lesson Video: Identify Theft, Skin Cancer Awareness, and Online Shopping.**
  - C. 3- Lesson Video: Dealing with Difficult People, Over the Counter Medications, and Pesticide Risks.**
  - D. All available at your local Extension Office.**

#### **DUTIES:**

- 1. Promote the videos and other lessons:**
  - A. Promote videos by showing clips at Council meetings and officer training.**
  - B. Encourage the use of outside resources, ie: NVON lessons in county President's Blue Book.**
  - C. Encourage club members to improve attendance at Leadership Training lessons.**
  - D. Encourage club members to partner with community agencies.**
  - E. Encourage the use of the packet lessons available at most county Extension Offices.**
- 2. Encourage completion of video evaluation forms and return to county Educator.**
- 3. County Educator will mail evaluation forms to CURRENT State Vice-President.**
